

## COURSE CONTENT

FREE access to our new A320 FNPT simulator. You can train anytime during your training (During 2020 at GTA Spain)

**1: Self Studies** (CBT) (90 days).

GTA e-learning platform CPaT 90 days subscription included in the TR programs.

**2: Ground Training** with instructor (84h)

Ground class with instructor: 48h  
AIRBUS A320 MFTD / VPT: 36h (9 sessions)

**3: Simulator Training** (36h)

All of our A320 Full Flight Simulator (Spain, Indonesia & Colombia) have level D certification, the maximum certification available. This means that one hour of flight on board equals one hour of actual flight in terms of training. The system replicates the behavior of the aircraft with complete realism.

A320 Full Flight Simulator: 32h (8 sessions).  
A320 Full Flight Simulator: Exam/LST: 4h (1 session).

**4: Base training**

6 or 4 T/G + 1 Go around

Depending on the previous multi-pilot flight experience of each pilot: 4 or 6 shots and take-offs.

FFS training

Ground training
